

IH - červen 2025

(velmi pozdní období)

aneb: novinky z chemoterapeutického kabinetu

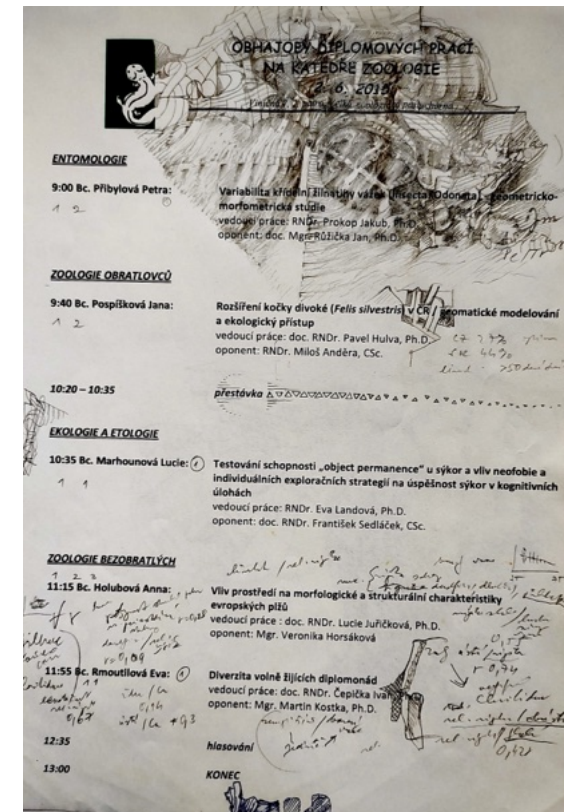

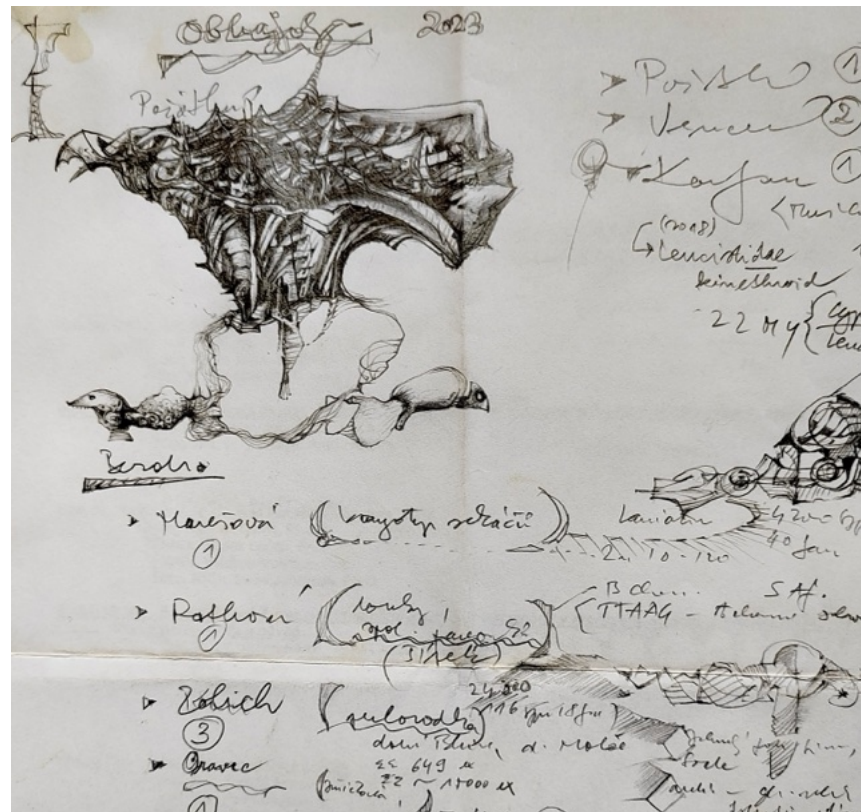

... z hory Sinai (2025)

... z grafického kabinetu (199x → 2025)

+ Bonus: krátce o povaze prokrastinačních obrazců ...
& červenové verse
některé i v olejových barvách

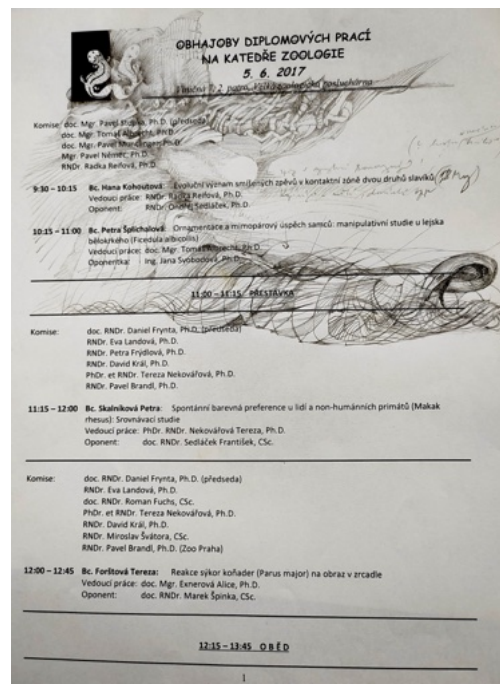

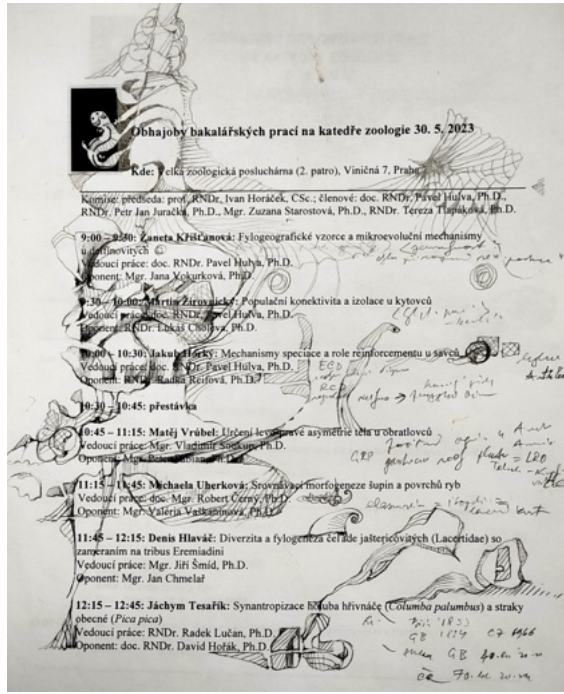

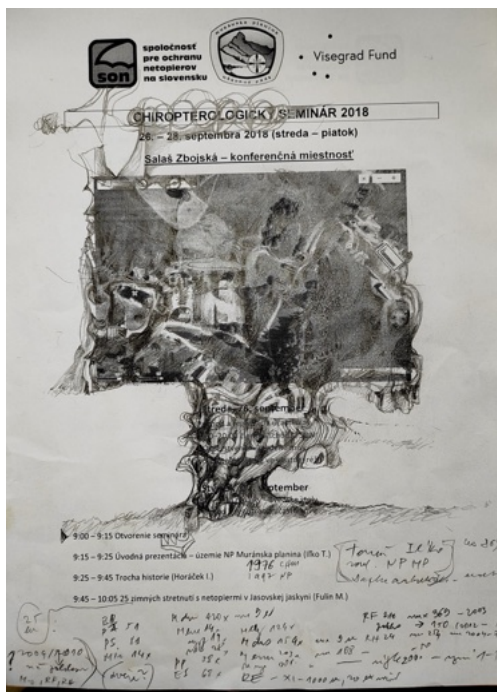

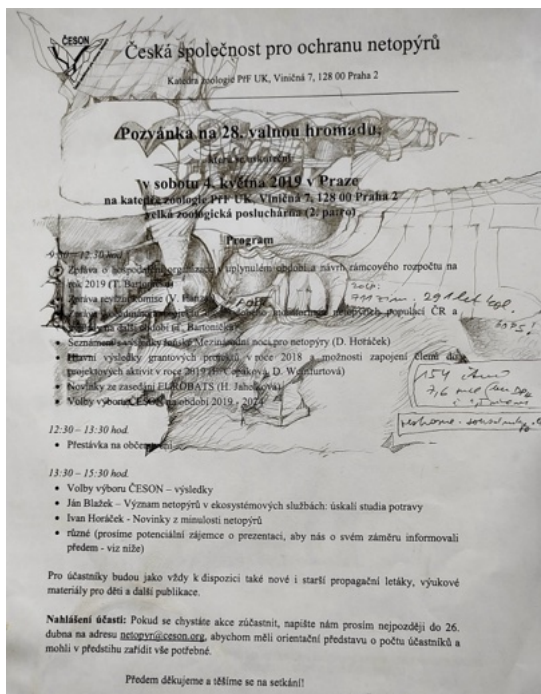

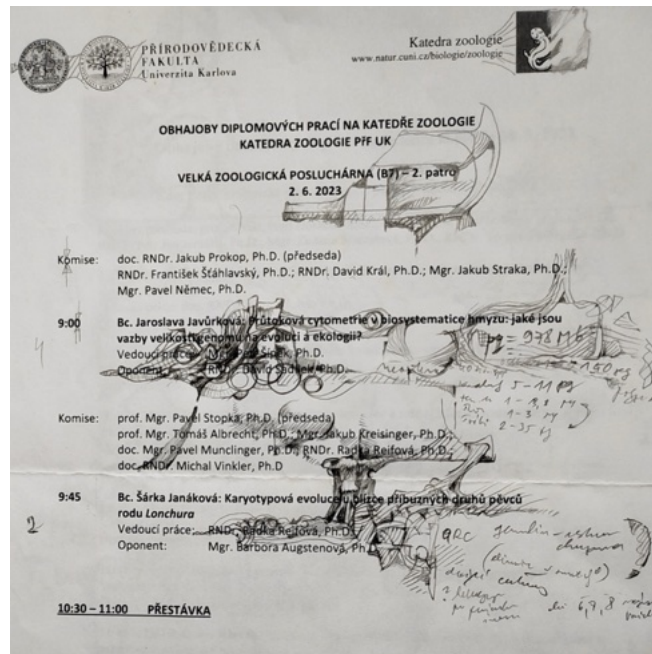

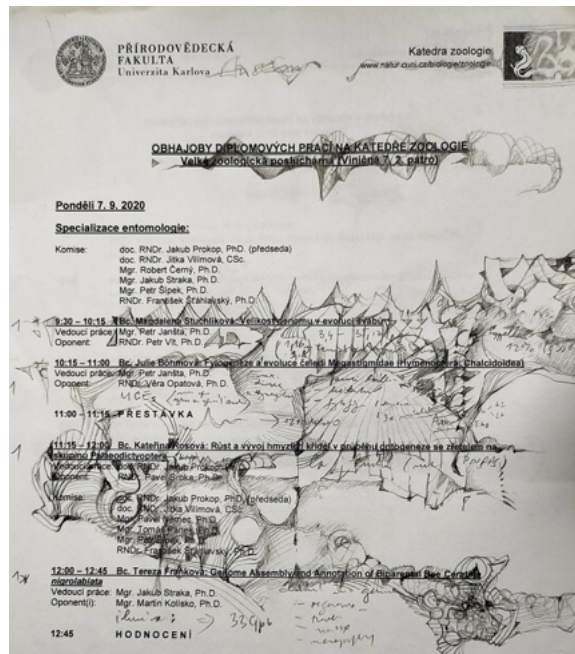

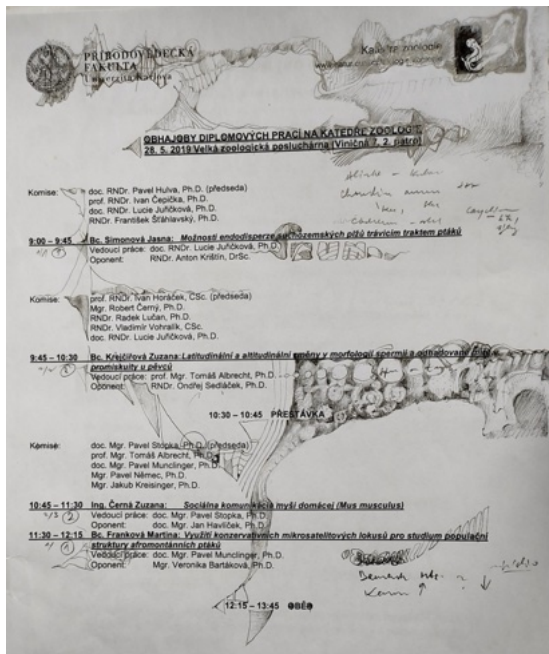

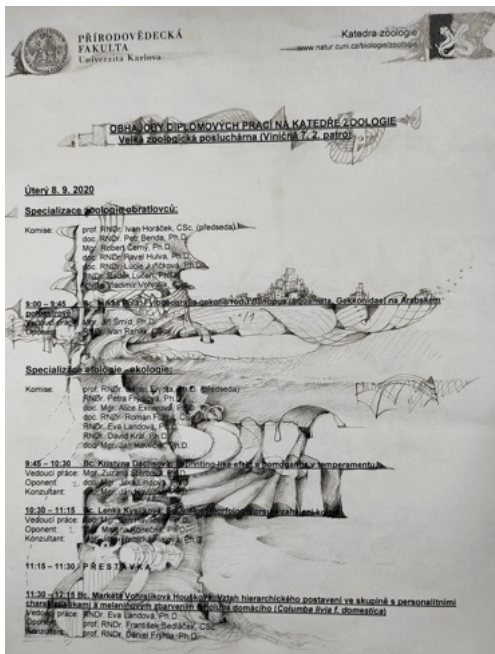

prokrastinace – temporální únik od povinností do oddechových aktivit:

zde obsedantní pokreslování *ad hoc* substrátů v momentální blízkosti, čirý mimovolní automatismus vynořování skrytých nepřítomností apod.

...já je někdo jiný ...

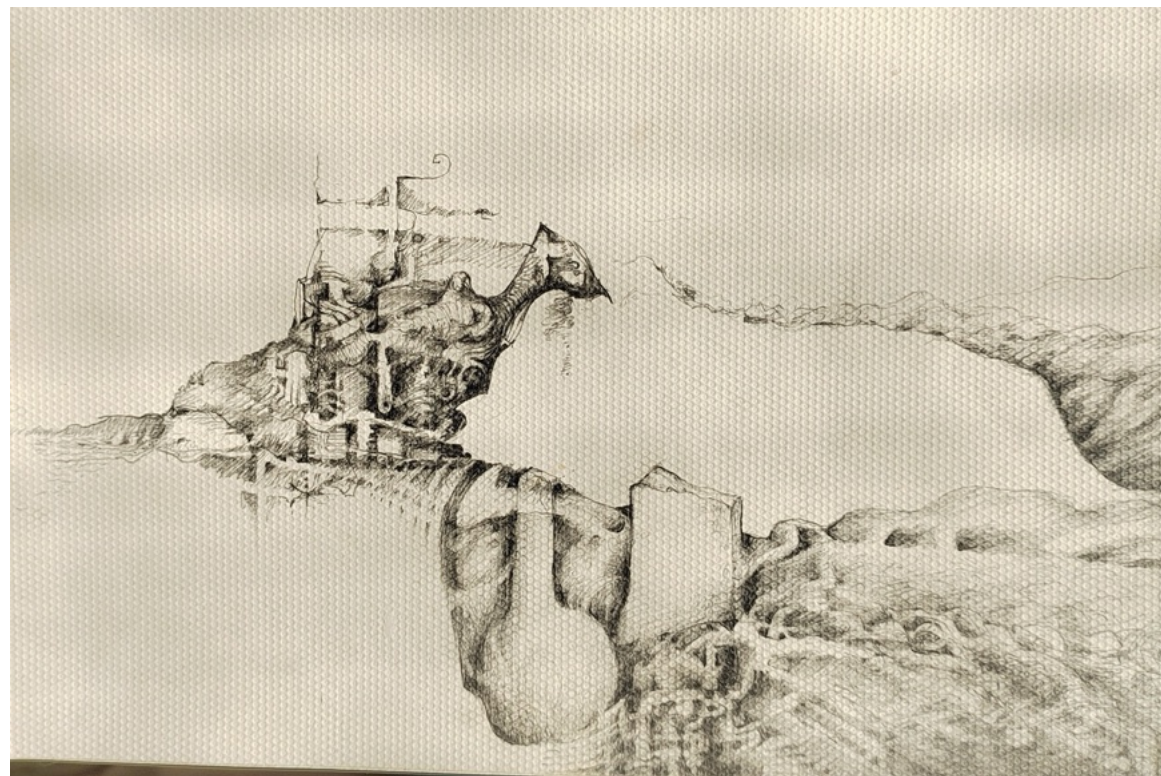

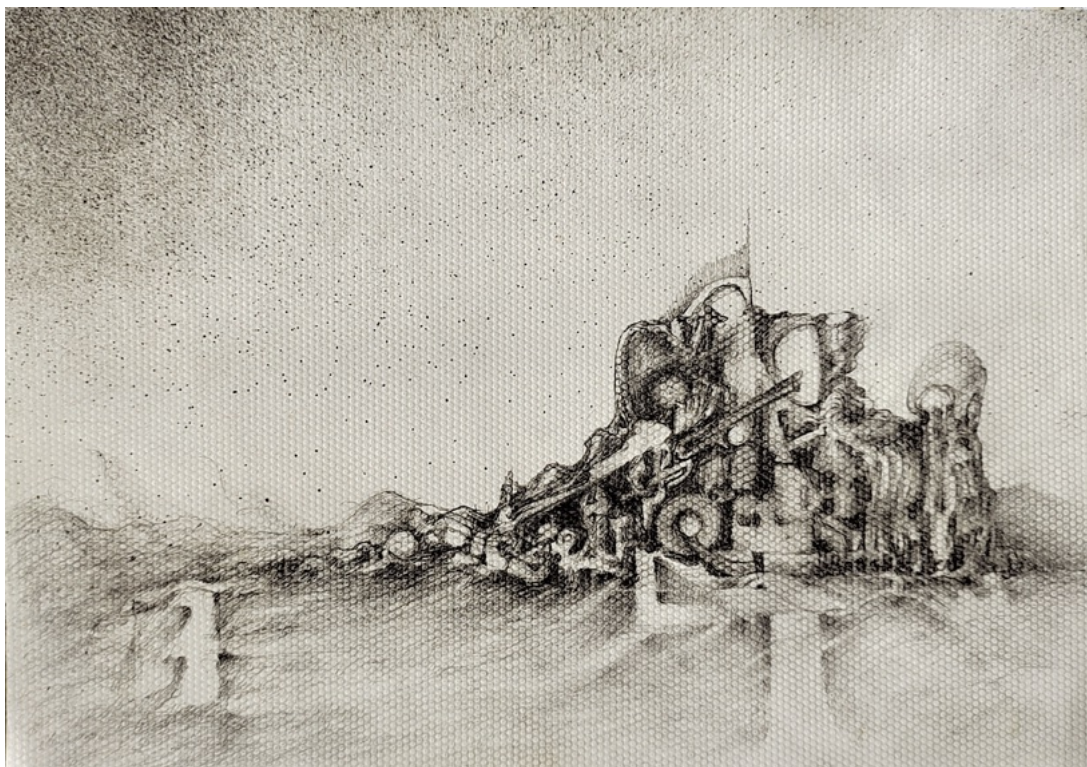

např. autentické vzorné zápisy
z akademických trachtací

pro srovnání

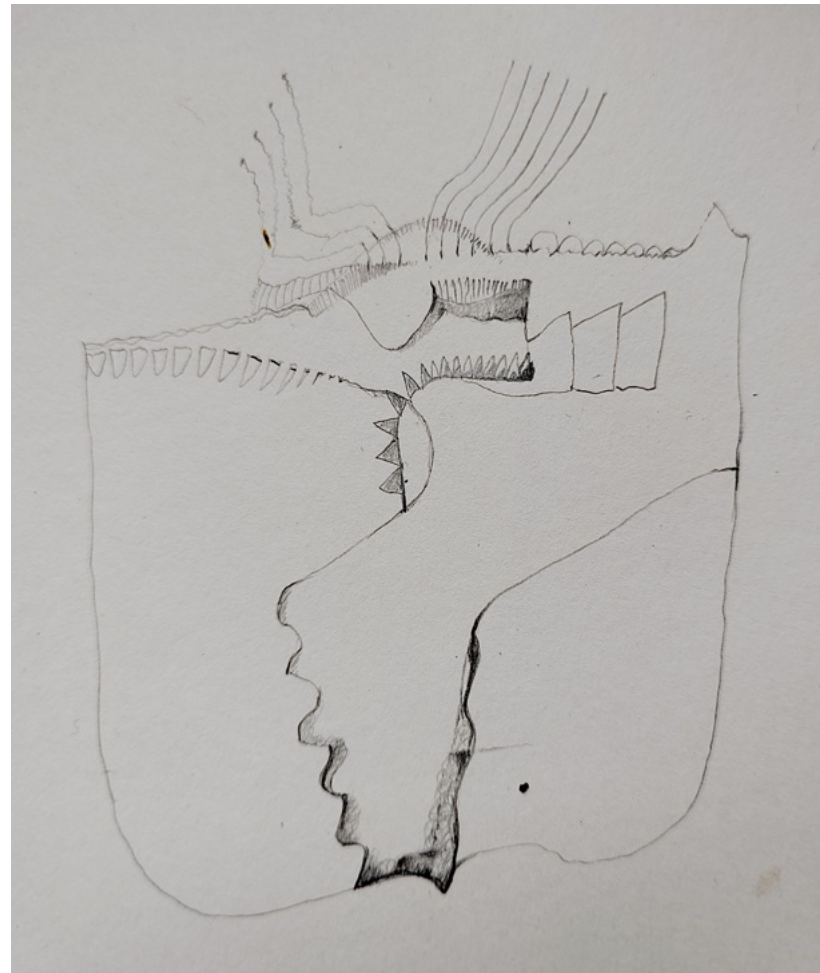

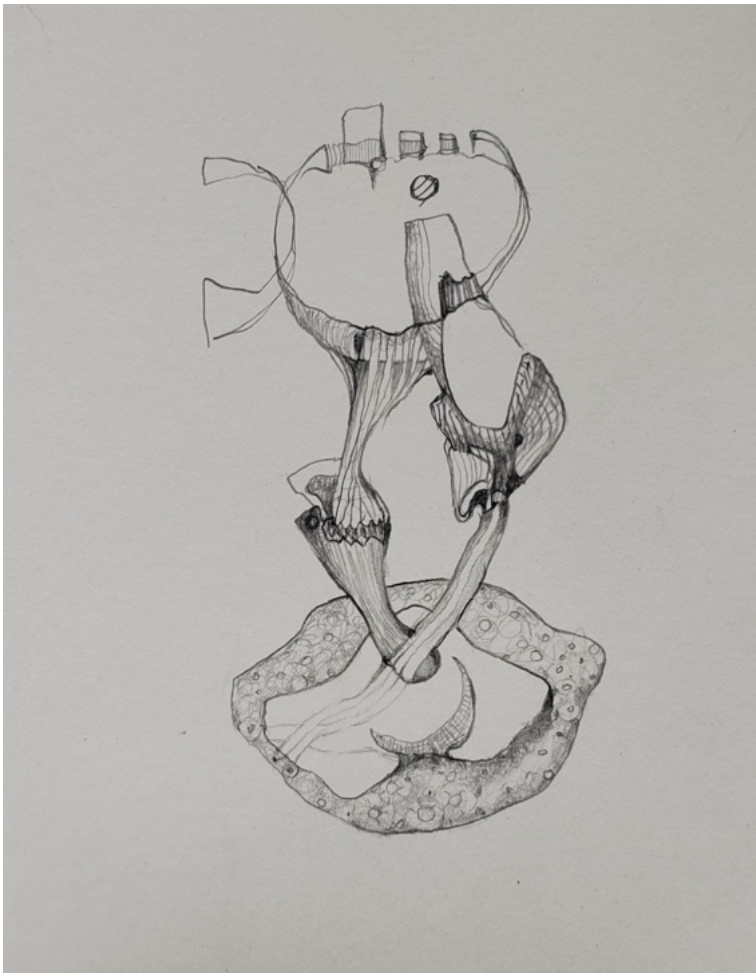

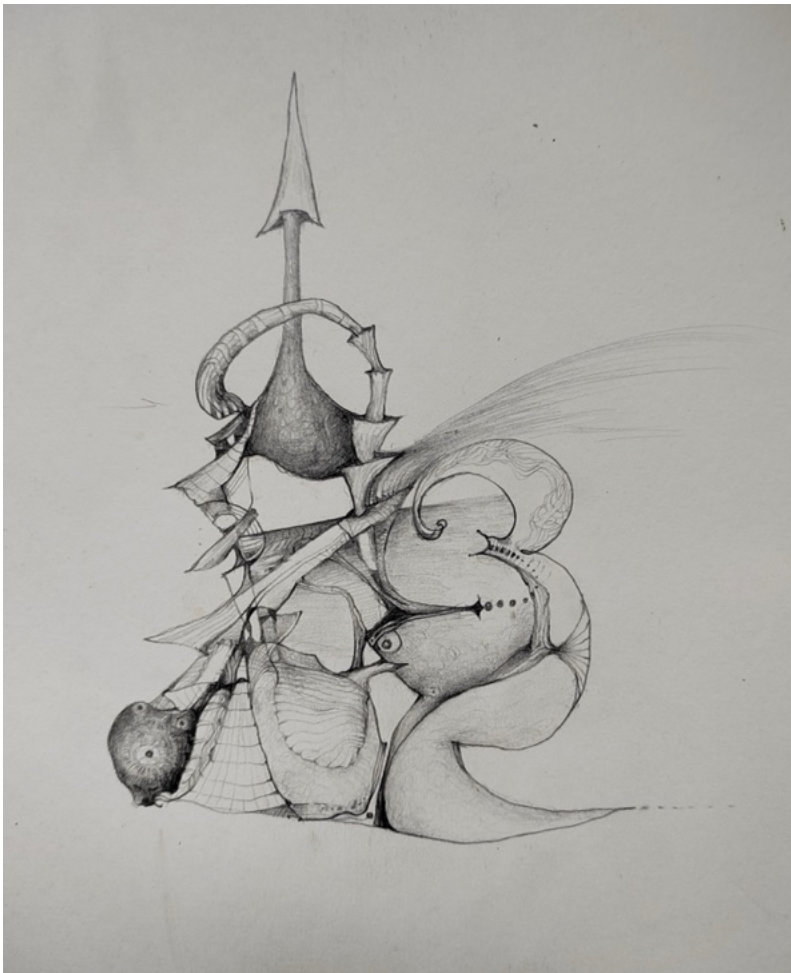

... z pozůstalosti (200x)

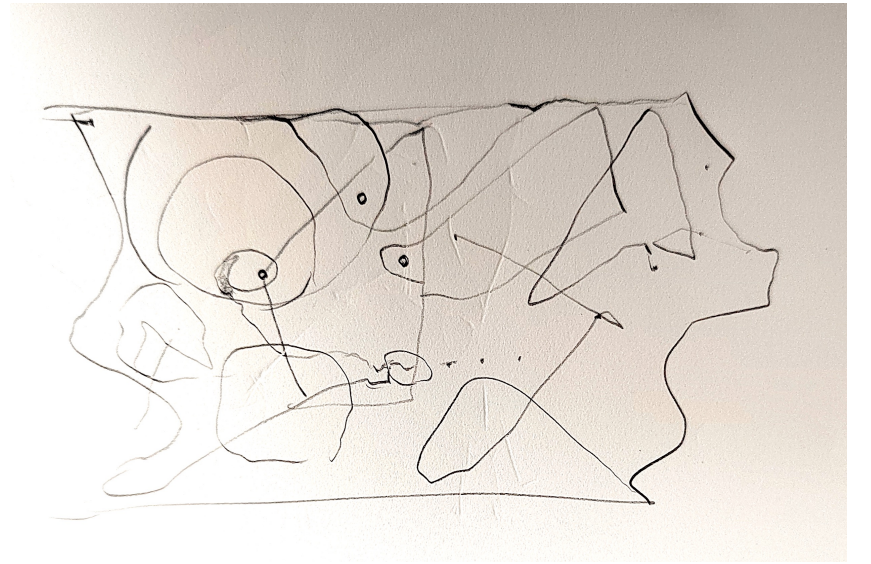

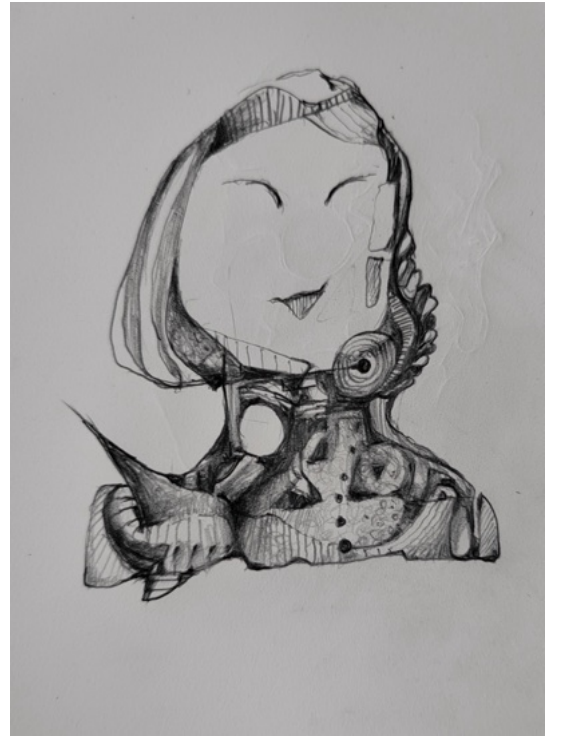

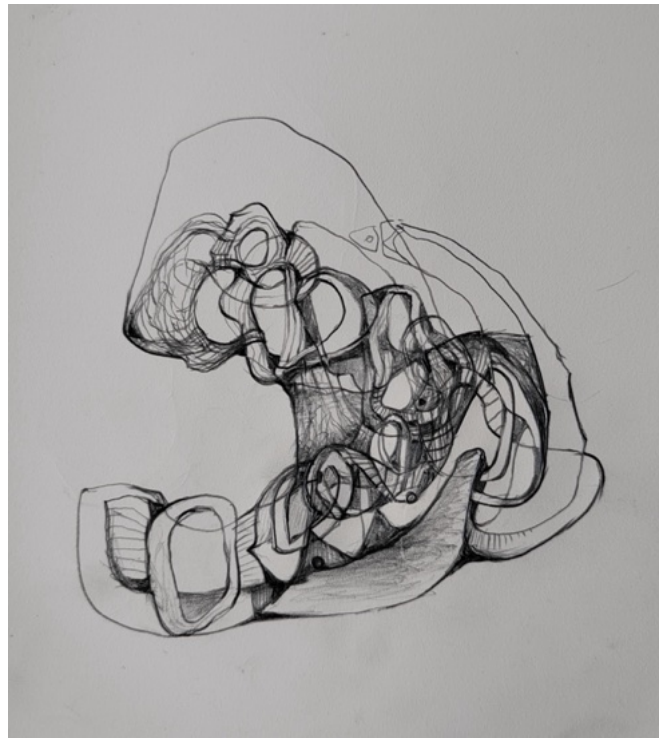

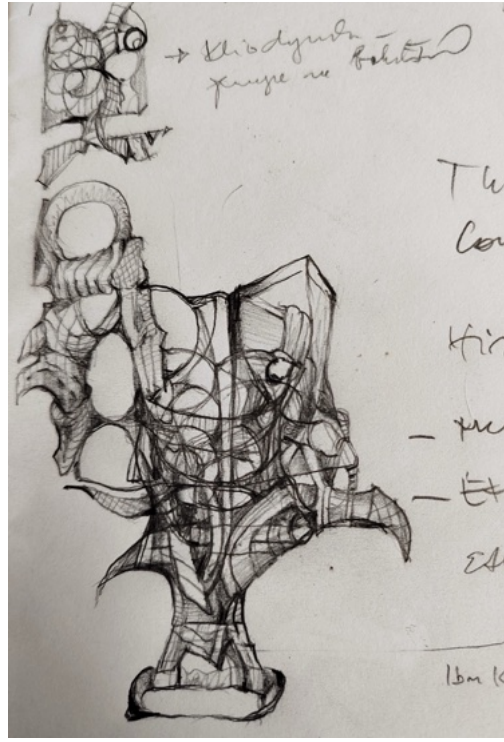

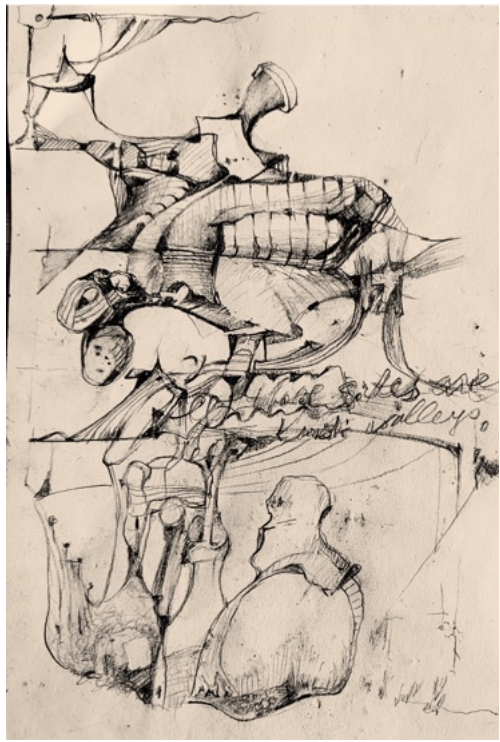

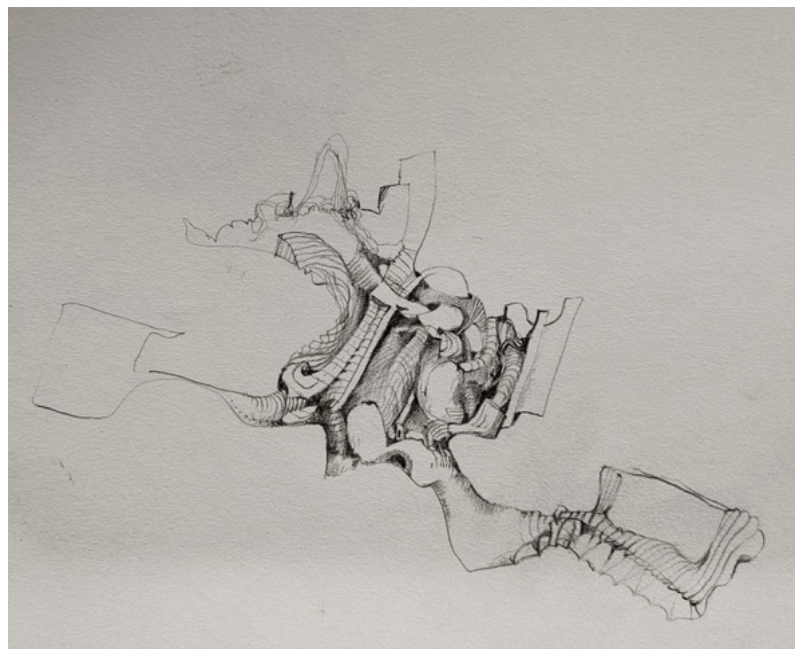

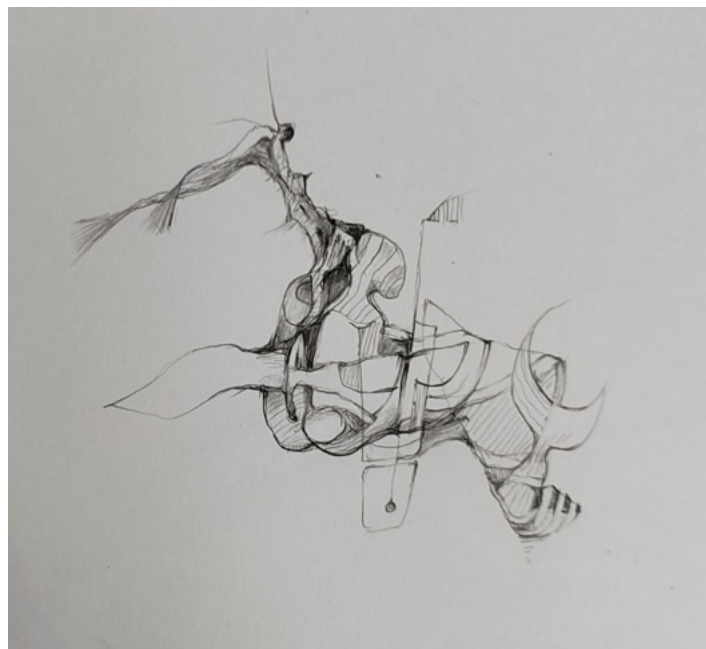

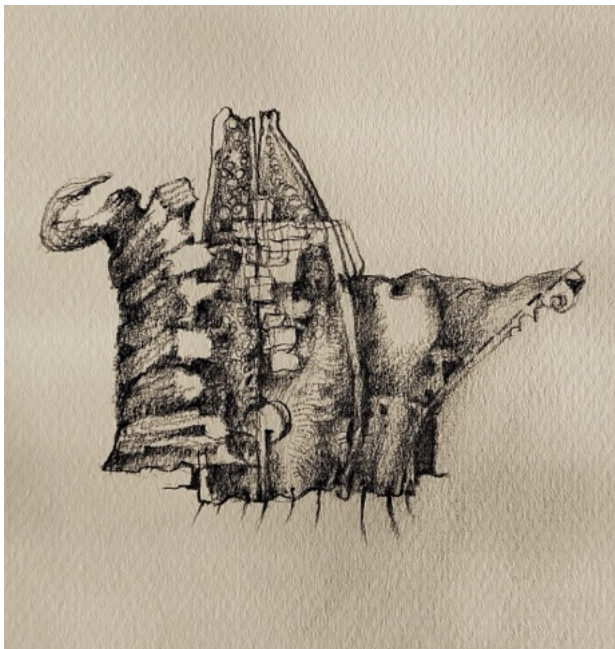

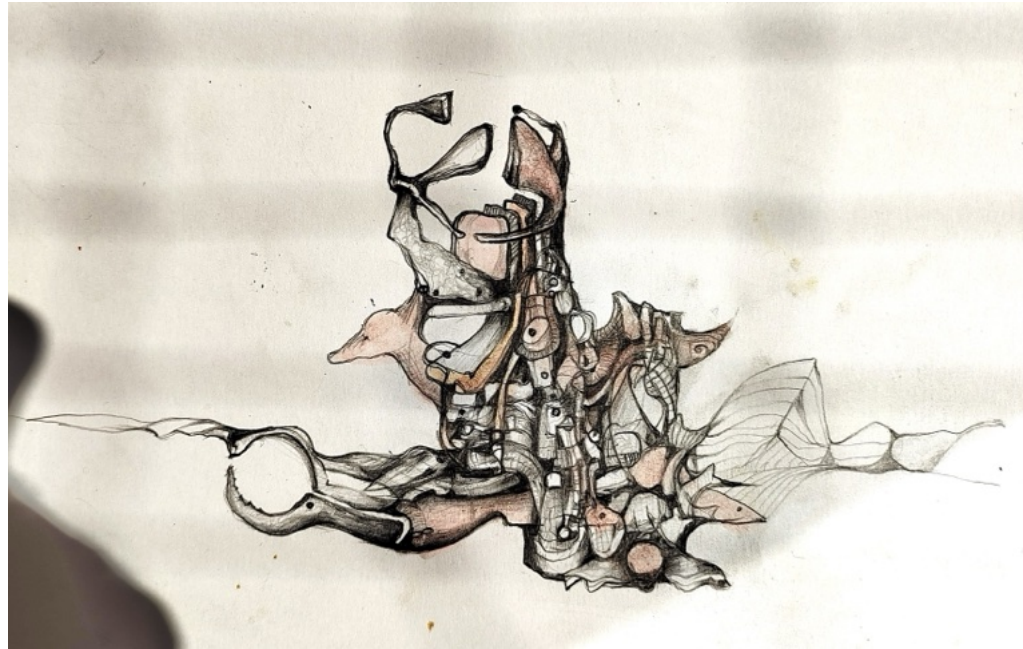

vs. novinky z uklizeného stolu
